ACHIEVEMENTS

Ukraine-Luxembourg Business Club organized 4 big events and among them:

1st AGRI FORUM was co-organized with Arendt and attracted more than 60 participants. Including big Ukrainian player as KERNEL. This forum connected investors, Ukrainian companies and experts by giving a real insight of the risks and opportunities for Agri sector in Ukraine. Also Mr Vazil Husak, Vice President of EIB was closing the Forum with a clear message how strategic this market is for Europe and such institutions like EIB are key partners for innovations in agriculture sector in Ukraine.

TECH EVENTS after the success of 1st UA.LUX.TECH in 2018, Ukraine-Luxembourg Business Club inspired new Ukrainian start-ups to participate to the biggest tech event in Luxembourg - ICT SPRING EUROPE. ULBC united a tech community around the 2nd edition of the UA.LUX.TECH with more than 170 participants. Finally, the idea was to make an after work recurrent event, so called TECH EVENING. 1st edition was a success with more than 50 attendees. Mr Pascal Rogiest, the CEO of LuxTrust, a European Leader in electronic identities was our keynote speaker at the inauguration.
